

Change of Enrolment

Before applying, please ensure that you have read the LEA Course Modification and Tuition Fee Refund Policy and understood the Procedure.

After enrolling, a student may modify their course by

- withdrawing from a subject,
- enrol in an additional subject, or
- changing the semester in which they commence a subject.

This can be done through the online student portal, or through the Registrar using the Change of Enrolment Application Form.

Please note the following important information:

- Students should submit their application form 4 weeks prior to the commencement of the semester to be enrolled.
- Students should not have any pending grades in the subjects completed from the current course.
- Eligibility for change of enrolment will be determined by LEA based on the information provided.
- Change of Enrolment Processing fee is \$200.
- Students are advised to change their enrolment before the course administrative date in order to avoid being charged a fee for late changes to their enrolment.

International students must remain aware of their visa conditions and the effect that course modification may have on their enrolment and consequent visa requirements. LEA shall take into account the impact of an international student's application on their visa when evaluating applications.
